Microsoft Dynamics 365 Integration Microsoft Dynamics 365 took the best from legacy solutions such as Great Plains and Navision (used by more than 140,000 customers and 2.7 million users worldwide,) and merged them into a new online cloud-based enterprise resource planning (ERP) system called Business Central. With a desire to provide an integrated web accessible accounting solution, DICE has chosen Dynamics 365 Business Central as its accounting platform. Learn about what this product can do and the integration with the entire DICE Matrix product line. Discussion lead by Thomas Campbell	10:40 a.m.	11:35 a.m.
Sponsor Presentation: Resideo	11:45 a.m.	11:55 a.m.
Lunch – Sponsored by Sur-Gard. (Studio 7)	12:00 p.m.	1:00 p.m.
Infrastructure as a Service (IaaS) Heidi Husted and Josh Greko present a course that will familiarize attendees with the use of vendor-maintained systems and applications in IaaS environments. Learn how using IaaS can reduce costs and meet disaster recovery requirements. Attendees will also learn how bringing security and telecommunications together offers a superior solution.	1:10 p.m.	1:50 p.m.
Sponsor Presentation: ACK Data	2:00 p.m.	2:30 p.m.
Matrix Sales Tyler Kosaski reviews new features in the Matrix Sales module. Learn about the new DICE signing method and updates made to the DocuSign method, including the ability to continue signing and updating envelope documents. Other new features include multi-rep reassign, sales lead imports, and change orders.	2:40 p.m.	3:00 p.m.
Sponsor Presentation: Sur-Gard	3:10 p.m.	3:25 p.m.
Cybersecurity Josh Greko discusses the state of cybersecurity. Learn about cybersecurity concepts, a basic introduction to security assurance principles, information security systems, and specific issues pertaining to risk assessments and cyberthreats. There will also be a brief examination of the standards governing monitoring centers.	3:35 p.m.	4:30 p.m.
Dinner Sponsored by ACK Data Wildhorse Saloon, North Mezzanine	6:30 p.m.	9:30 p.m.

DICE Tech Security Summit

Nashville, TN. April 29-May 2, 2019

Thursday, May 2, 2019	Start	End
Breakfast (Legislative Terrace)	7:30 a.m.	9:00 a.m.
UL (Melody Room) Josh Greko discusses new changes and additions in UL 827 and UL 2900. Learn how these changes affect your monitoring center and what it means for your organization going forward.	9:10 a.m.	10:00 a.m.
Sponsor Presentation: CHeKT (Melody Room)	10:10 a.m.	10:20 a.m.
Improving Monitoring Center Communications with 911 Centers Using (ASAP) Automated Secure Alarm Protocol (Studio 4) Participants will learn about the ASAP service that has significantly improved the transfer of data during emergencies by standardizing the alarm/event types, requiring pre-validation of all alarm panel addresses, requiring the CAD system to make the automated determination on accepting or rejecting the call, elimination of timely phone calls, removal of errors associated with voice communications, and reduction of time to dispatch response.	9:10 a.m.	10:10 a.m.
Break	10:25 a.m.	10:45 a.m.
Sponsor Presentation – ADTRAN (Melody Room)	10:45 a.m.	10:55 a.m.
